MIAMI-DADE
COUNTY

Date: December 15, 2015

Agenda Item No. 3(B)(3)

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Resolution Retroactively Accepting Grant Award from The Children's
Trust

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution retroactively accepting a grant award from The Children's Trust, in the total amount of \$1,636,921.00 for the grant period of August 1, 2015 through July 31, 2016.

Scope

The Children's Trust grant provides funding for ten Miami-Dade Parks, Recreation and Open Spaces Department (PROS) Park sites throughout the County; therefore the impact is countywide in nature.

Fiscal Impact/Funding Source

There is no incremental operating impact to the County as a result of obtaining these grants. The grants require no matching County funds and cover all costs, including snacks, supplies, transportation when provided, and the salary of the grants administrator.

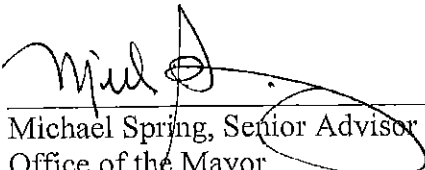

Track Record/Monitor

These grants will be administered by Daniel Barcia of PROS.

Background

The Children's Trust and PROS desire to enter into a contract (Attachment A) for the first term of a possible three-year term. The programs funded from The Children's Trust grants are out-of-school programs for children from the general population and children with disabilities, programs in social skills/resilience/risk-reduction for youth with disabilities, and summer camps. PROS will serve a minimum of 550 children in out-of-school programs and 825 children in summer camps at ten County parks; Arcola Park, Camp Matacumbe, Goulds Park, Greynolds Park, Gwen Cherry Park, Live Like Bella Park, Dr. Martin Luther King, Jr. Park, Naranja Park, Tamiami Park, and Westwind Lakes Park. No fees will be required for children attending these programs. PROS received the grant agreement from The Children's Trust on October 23, 2015, therefore the approval of the grant is retroactive.

All such records will be retained by Provider for not less than five years beyond the last date that all applicable terms of this contract have been complied with, final payment has been received and appropriate audits have been submitted to and accepted by The Children's Trust. However, if any audit, claim, litigation, negotiation or other action involving this contract or modification hereto has commenced before the expiration of the retention period, then the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular retention period, whichever is later.

2. Financial Statement Audit

Within one-hundred eighty (180) days from the close of its fiscal year, Provider's independent certified public accounting firm (CPA) must submit all of the following documents, electronically, to The Children's Trust, which together comprise an annual financial statement audit conducted in accordance with GAAP and standards contained in *Government Auditing Standards* issued by the Comptroller General of the United States (The Yellow Book). The required items are:

6. List of Approved Certified Public Accounting Firms

To receive reimbursement for the preparation of the program specific audit, as defined, Provider must choose from a list of approved CPA firms, which are posted on The Children's Trust website. ATTACHMENT B
OTHER FISCAL REQUIREMENTS,
BUDGET AND METHOD OF PAYMENT

ATTACHMENT B
OTHER FISCAL REQUIREMENTS, BUDGET and METHOD OF PAYMENT

Advance payment requests

The Children's Trust offers advance payments equal to 15% of the total contract value. Advance requests shall be limited to governmental entities and not-for-profit corporations, in accordance with subsection 216.181 (16) (b), F.S. The advance request must include the amount requested and a justification for the request. Advance requests must be submitted using the designated form and must be approved in writing by The Children's Trust Contract Manager and Chief Financial Officer or their designee.

Advance repayment

Advance repayment is due within 60 calendar days of receipt of the advance. Provider shall report the amount of the advance repayment in SAMIS using the "advances/adjustments" button on the SAMIS reimbursement screen. If a provider does not use SAMIS, then they are required to deduct their advance repayment from each invoice, consecutively, until the advance is repaid in full.

Budget amendments/revisions

Budget amendments/revisions require written approval from the Contract Manager and The Children's Trust's Chief Financial Officer or their designee. Request for budget amendments/revisions must be submitted to a Contract Manager using SAMIS, or the appropriate form, as designated by The Children's Trust. All budget amendments/revisions are subject to final approval by The Children's Trust. Budget amendments/revisions cannot be used to increase the total contract amount or to modify the Scope of Services. No more than two budget amendments/revisions may be approved during the contract term. Budget amendments/revisions will be disallowed if they seek to revise retroactive costs not previously budgeted. All amendments/revisions must adjust for operational activity effective as of the previously billed period. Budget amendment/revision requests must be submitted sixty (60) days prior to the expiration of contract. Budget amendments/revisions will be incorporated into the contract.

Indirect Administrative Costs

In no event shall The Children's Trust fund indirect administrative costs in excess of ten (10%) percent of the total contract amount.

List of Approved Certified Public Accountants or Certified Public Accounting Firms

To receive reimbursement for the preparation of the program specific audit, as defined, provider must choose from a list of approved Independent Certified Public Accounting (CPA) firms, which are posted on The Children's Trust website. Inclusion in this pre-approved vendor pool requires that a CPA firm meet the following three criteria:

- (a) participation in either the American Institute of Certified Public Accountants (AICPA) or the Florida Institute of Certified Public Accountants (FICPA) peer review program as evidenced by submitting a triennial System Review Report with a passing score to The Children's Trust;
- (b) providing documentation that a CPA firm, or one of its associates, has adequate experience in governmental accounting and/or nonprofit accounting with the application of Government Auditing Standards; and
- (c) completion of an annual CPA training session sponsored by The Children's Trust finance department.

Direct Deposit of Payment

As a requirement of this Contract with The Children's Trust, Provider agrees that prior to, or on the date commencing the effective term of this Contract, Provider will enroll in The Children's Trust direct deposit program. The direct deposit program requires that all reimbursements received from The Children's Trust are directly deposited into the Provider's designated bank account held in a United States financial institution. The format, including the terms and conditions for the direct deposit of payment, can be found at <http://www.thechildrenstrust.org/providers/forms/direct-deposit-enrollment>.

Cost Reimbursement Method of Payment

The parties agree that this is a cost reimbursement method of payment contract; Provider shall be paid in accordance with the approved budget and/or approved budget amendments/revisions as set forth in this attachment. Provider also agrees to pay its subcontractors, vendors and employees for the fulfillment of services provided in this contract, on a timely basis.

Invoice Requirements

Provider shall submit an electronic request for payment in the SAMIS system in accordance with the approved budget or budget amendments/revisions. The request for payment is due on or before the fifteenth (15th) day of the month following the month in which expenditures were paid (exclusive of legal holidays or weekends). The Children's Trust will consider all invoices received after the fifteenth (15th) of each month as late, even if the cause of a late submission is due to the delayed approval of a budget or amendment in the SAMIS system. The Children's Trust agrees to reimburse Provider on a monthly basis. Any expense, included on a SAMIS reimbursement that is dated greater than two months prior to the invoice period will not be approved. The Children's Trust reserves the right to request any supporting documentation related to this contract.

If there are subcontractors to this contract, then the Form D: Attestation of Payment must be either uploaded to the SAMIS Document Repository no later than 30 days after payment to subcontractor. Upon the close of this contract, Provider is required to complete Form E: Close-out Attestation of Payment, which must be uploaded to the SAMIS Document Repository no later than thirty (30) days after payment to subcontractor. These forms may be downloaded from The Children's Trust's website. For the purpose of payment only, a subcontractor is defined as an independent agency that has entered into agreement with Provider to perform services pertaining to The Children's Trust funded programs identified in this contract.

A final request for payment (last monthly invoice of the contract term) from Provider will be accepted by The Children's Trust up to forty-five (45) days after the expiration of this contract. If Provider fails to comply, then all rights to payment shall be forfeited.

If The Children's Trust determines that Provider has been paid funds, which are not in accordance with this contract, and to which it is not entitled, then Provider shall return such funds to The Children's Trust or submit appropriate documentation to support the payment within thirty (30) days of notification by The Children's Trust. After thirty (30) days, The Children's Trust may recapture amounts due to The Children's Trust, from this or any contract by reducing amounts requested to be reimbursed less the amount owed to The Children's Trust. The Children's Trust shall have the sole discretion in determining if Provider is entitled to such funds in accordance with this contract, and The Children's Trust's decision on this matter shall be binding.

In the event that Provider, its independent CPA firm or The Children's Trust discovers that an overpayment has been made, Provider shall repay the overpayment within thirty (30) calendar days without prior notification from The Children's Trust.

If Provider fails to serve the number of participants and/or fails to utilize the funds in accordance with the contract, then The Children's Trust may amend the contract to reduce the amount of dollars. Any delay in amendment by The Children's Trust is not deemed a waiver of The Children's Trust's right to amend or seek reimbursement for underserving participants in accordance with the contract.

A SAMIS request for payment will be deemed proper as defined by the Florida Prompt Payment Act, if the request complies with the requirements set forth in this contract and is submitted on the forms prescribed by The Children's Trust. Requests for payment and/or documentation returned to Provider for corrections may be cause for delay in the receipt of payment. Late submission may result in delay in the receipt of payment. The Children's Trust shall pay Provider within thirty (30) calendar days of receipt of Provider's properly submitted Request for Payment (i.e., SAMIS invoice) and/or other required documentation.

The Children's Trust may retain any payments due until all required reports, deliverables or monies owed to The Children's Trust are submitted and accepted by The Children's Trust.

Supporting Documentation Requirements

Provider shall maintain original records documenting actual expenditures and services provided according to the approved budget and scope of services. Supporting documentation shall be made available and provided to The Children's Trust upon request.

Provider shall keep accurate and complete records of any fees collected, reimbursement or compensation of any kind received from any client or other third party, for any service covered by this contract, and shall make all such records available to The Children's Trust upon request. Provider shall maintain a cost allocation methodology that is used to allocate its costs to ensure that The Children's Trust is paying only its fair share of costs for services, overhead and staffing devoted to the program funded by this contract. Such methodology shall be made available to The Children's Trust upon request.

ATTACHMENT C PROGRAMMATIC/INITIATIVE PERFORMANCE AND DATA REPORTING REQUIREMENTS

Attachment C: Data Requirements and Program Progress Metrics

AFTER-SCHOOL PROGRAMS AND SUMMER CAMPS

The Children's Trust requires collecting ongoing measures of progress on the quantity, quality and effects of service efforts. The purpose of data collection, reporting and analysis is to promote continuous Improvements in program quality and outcome achievement. Successful programs regularly monitor the quality of their own Implementation at the site level, offer staff training and coaching on program components, and incorporate feedback from participants and staff. Program progress metrics may be revised throughout the funding cycle depending on the initiative needs and additional program data.

PARTICIPANT DEMOGRAPHICS	
DATA REQUIREMENT	PROGRAM PROGRESS METRICS
<p><u>Participant Demographics:</u> Providers are expected to collect and report the participant identifiable Information specified in the Child Information Forms and in the demographics screens in our data reporting system.</p> <p>Providers will update participant demographics regularly when new information is collected (e.g., new address, grade level).</p>	<p>After-school programs and summer camps are expected to serve Miami-Dade County school-age participants attending elementary and middle school, including children with disabilities. The following are exceptions to the elementary and middle school grade requirements:</p> <ul style="list-style-type: none"> • Participants with disabilities may include youth who are enrolled in high school, through the age of 22; and • Participants in summer camp who will turn age five (5) by September 1st of that school year. <p>Programs are expected to serve the percentage of Children with Disabilities specified in Attachment A.</p>
PARTICIPANT ATTENDANCE	
DATA REQUIREMENT	CONTRACT PROGRESS METRICS
<p><u>Attendance-based Data:</u> Attendance-based activities are ongoing intensive services that represent the core program activities and are attended by participants regularly (typically more than two times).</p>	<p><u>Program Participation:</u> Programs are expected to ensure that services offered are being utilized by participants.</p> <p><u>Participant Retention:</u> The contracted number of participants are receiving the contracted number of sessions (i.e., the expected and appropriate dosage)</p>

PARTICIPANT OUTCOMES	
DATA REQUIREMENT	CONTRACT PROGRESS METRICS
<p><u>Performance Measures (PM) Data:</u> Measures of participant outcomes should be used both for the purposes of understanding and tailoring to meet individual needs at program entry (pre-tests) and for tracking changes or benefits realized over the course of the program (through comparing pre/post-tests). The specific outcomes for each contract are described in detail in Attachment A.</p> <p>All children with attendance during a test administration timeframe should receive an assessment. Additionally, children leaving the program before its completion should be post-tested, if prior notice is given.</p> <ul style="list-style-type: none"> • School Year Pre-test: Administer within 30 calendar days of child's first day of attendance. • School Year Mid-test: Administer between December 1st and January 15th. • School year Post-test: Administer between May 1st and end of school year. • Summer Camp Pre-test: Administer within 14 calendar days of each child's first day of attendance. Providers may also opt to use school year post-test results as summer pre-tests for returning children. This is permissible only if the school year post-test was administered within two weeks of the child's start date in summer camp. If provider chooses this option re-entering testing information for each participant is required. • Summer Camp Post-test: Administer during the final 14 calendar days of summer camp. <p>If the original formats of the required measures are not appropriate for some participants, providers may utilize approved adaptations or alternate assessments, in consultation with The Trust and its program and professional development providers.</p> <p><u>Screening Data:</u> In line with The Trust's whole-child approach, providers are expected to screen all children enrolled in their programs using the child screening (TBD).</p>	<p><u>Participant Testing/Timely Screenings:</u> Providers are expected to collect and report on the outcome assessment and screening tools identified in Attachment A on a timely and accurate manner.</p> <p><u>Actual Outcome Achievement:</u> Refers to the number and percentage of participants who meet each required outcome in relation to the number of participants that were expected to meet it.</p> <p><u>Timely Referral and Referral Completion:</u> Based on the results of the child screening providers are expected to connect families with identified services needed.</p>

PROGRAM QUALITY MEASURES	
DATA REQUIREMENT	CONTRACT PROGRESS METRICS
<p><u>Satisfaction Survey:</u> Providers are expected to administer child/youth and parent satisfaction surveys during the school year and summer. Satisfaction surveys can be found at The Children's Trust website.</p> <p>Providers are required to submit a summary of their school year and summer camp survey results through our data reporting system.</p>	<p><u>Participant Satisfaction:</u> Satisfaction surveys help gauge various dimensions of participants' and caregivers' overall satisfaction with programming (including safety, program elements most liked and those in need of change, and whether the programming help children, or other participants). Providers should be able to describe how they use participant feedback to continuously learn about ways to improve their programs.</p>
<p><u>Personnel Records:</u> Providers shall maintain a personnel file for each staff involved in the program, including in-kind staff and volunteers. Each file should contain, at a minimum, background screening results, proof of required education, professional development credits/non-credits hours, and any required certifications or licensures.</p>	<p><u>Staff Qualifications and Retention:</u> Providers are expected to hire and retain staff and subcontractors with the necessary qualifications/credentials. Providers are expected to produce proof of required experience, education, and certifications/licensures as specified in Attachment A, staffing table.</p> <p><u>Professional Development:</u> Providers are expected to create and implement a program and professional development plan that meets all training and certification requirements of the selected EBP(s) and tools as applicable. All staff and subcontractors must be trained by the developer or a certified trainer in the EBP model and tools implemented.</p> <p><u>Trust-sponsored/facilitated Trainings:</u> Providers must ensure appropriate staff and subcontractors attend various trainings provided by The Trust's program and professional development providers annually. At a minimum, staff will be required to attend the following annually:</p> <ul style="list-style-type: none"> • New and renewal contract development; • Contract management trainings; • The Children's Trust provider meetings; • SAMIS training for budgets, amendments, invoices, SAMIS programmatic and reports trainings. • Content specific trainings related to program quality and performance measures.
<p><u>Program Service Delivery:</u> Providers are expected to deliver contracted services with fidelity to Attachment A.</p>	<p><u>Activities Observation:</u> Supervisors must regularly monitor staff as well as subcontractors using the appropriate fidelity tool as well as hold regular reflective supervision meetings to ensure high quality service delivery. The Trust will complete various program observations and monitoring site visits throughout the contract year. Program observation visits may be announced or unannounced. In addition, providers are expected to participate in technical assistance and quality improvement activities provided by professional development providers.</p>

Attachment D
Program Specific Audit Requirements

The Program Specific Audit must encompass an audit of The Children's Trust contracts in accordance with section O3: Program Specific Audit of this contract. The comprehensive nature of auditing performed in accordance with the standards set forth below places on the independent certified public accounting firm (CPA) the responsibility for ensuring that (1) the audit is conducted by personnel who have the necessary skills; (2) independence is maintained; (3) applicable standards are followed in planning and conducting audits and reporting the results; (4) the organization has an appropriate internal quality control system in place; and (5) the organization undergoes an external quality control review.

Program Specific Audits must be conducted in compliance with AU-C 935 and are required to include performing tests of controls over compliance.

An auditor's risk assessment must include an expectation of the operating effectiveness of controls over compliance; and in doing so; the assessed control risk must be assessed at low during the planning stage. If the auditor determines a lack of controls and identifies risk of material noncompliance that demonstrates internal controls do not exist or are not effective regarding the compliance requirement, a response to such risks should be developed, and a finding (significant deficiency or material weakness) should be reported.

The auditor's test work and sample size of each compliance requirement should be the result of the assessed level of inherent risk and control risk as it relates to each compliance requirement as stated in The Children's Trust contracts.

The Program Specific Audit requires the following components (a sample format may be found on The Children's Trust website):

- a. Independent Auditor's Report on the Schedule of Expenditures of The Children's Trust Contracts;
- b. Schedule of Expenditures of The Children's Trust Contracts;
- c. Notes to Schedule;
- d. Independent Auditor's Report on Compliance for each of The Children's Trust Contracts and Report on Internal Control over Compliance; and
- e. Schedule of Findings and Questioned Costs.

At a minimum, the auditor must include the following tests in their audit program to ensure that the compliance requirements set forth in The Children's Trust compliance supplement are met. They are:

The Children's Trust Compliance Supplement to the Program Specific Audit:

Compliance Requirement	Program Specific Audit Implication	Example
a). Internal Controls	1). An auditor's risk assessment must include an expectation of the operating effectiveness of controls over compliance; and in doing so; the assessed control risk must be assessed at low during the planning stage. If the auditor determines a lack of controls and identifies risk of material noncompliance that demonstrates internal controls do not exist or are not effective regarding the compliance requirement, a response to such risks should be developed, and a finding (significant deficiency or	A). Controls tested during the financial statement audit may not consider compliance as it relates to the Children's Trust contracts. Overall control risk must consider each compliance requirement tested during the program specific audit. Separate risk assessment procedures and materiality should be performed and generated for a program specific audit.

Compliance Requirement	Program Specific Audit Implication	Example
	<p>material weakness) should be reported.</p> <p>The auditor's test work and sample size of each compliance requirement should be the result of the assessed level of inherent risk and control risk as it relates to each compliance requirement as stated in The Children's Trust contracts.</p>	
<p>b). Budget vs. Actual Expenditures</p>	<p>1). The approved budget is to include the original approved contract as well as any approved budget amendments/revisions.</p>	<p>A). Testwork should include a schedule identifying each contract and its original/amended budget, monthly billings, contract utilization and any analytical expectations that may identify any overbillings.</p> <p>I. SAMIS does not allow providers to overbill any budgeted line item or contract allocation, however, if contract utilization is greater or less than expected, this could indicate that a budgeted salary rate is not the employee's actual rate. Provider must compensate employees at the rate stated on the budget. Any difference in rate would warrant a finding in the Program Specific Audit Report.</p>
<p>c). Allowable/Unallowable Activities and Costs</p> <p><u>Common unallowable costs:</u></p> <p>1. Salary rates, payroll methods and hours billed do not match original or amended budgets.</p> <p>2. The amount of fringe benefits billed to the Trust is actually for employees not included in contract budget and unrelated to the program.</p>	<p>1). Requires that the nature of services and type of costs paid are in agreement with the contractual budget and/or budget amendment/revision's scope of services and budget guidelines.</p> <p>AND/OR</p> <p>Requires that activities performed or costs paid with The Children's Trust funds are listed in the contractual budget narrative or a contractual</p>	<p>A). If Provider asks to be reimbursed for 6 field trips to teach children social skills, then were those field trips enumerated in either the contractual budget narrative or the contractual Scope of Services?</p> <p>B). If the contractual budget, lists a Program Coordinator position at \$25.00/hour, then does the provider actually pay and charge The Children's Trust \$25.00/hour?</p>

Compliance Requirement	Program Specific Audit Implication	Example
<p>3. Professional services are billed within regular salaries and wages.</p> <p>4. Capital purchases disguised as repairs.</p> <p>5. Sales taxes and tips.</p> <p>6. Fuel</p> <p>7. Food and beverage costs for parties, celebrations, end-of-program events, and conferences or conventions, unless while attending an out-of-town conference or convention.</p> <p>8. Monetary gift cards as incentives.</p> <p>(A detailed listing of all costs and activities considered allowed and un-allowed can be viewed in the Budget Guidelines form on the Children's Trust website, www.thechildrenstrust.org/providers/forms.)</p>	<p>budget amendment/revision narrative.</p> <p>2). Any cost or service billed that is not approved in the contract budget is a finding and reported as a questioned cost on the Program Specific Audit Report.</p> <p>3). If any cost or service is billed in more than one contract, and the billings are in excess of the total disbursement, or approved allocation, the expense has been <u>overbilled or doubled billed</u> and should be considered a finding.</p> <p>4). Children's Trust funds must supplement a program, <u>supplanting is unallowable</u>. A provider may not use contract funds to defray any costs that the recipient already is obligated to pay. (See example F)</p>	<p>C). If the contractual budget, lists a Program Coordinator's position, with dedicated time charged to The Children's Trust program of 25%, then does the provider keep records of an employee's time to substantiate that 25% of time was in fact earned and charged to The Children's Trust program?</p> <p>D). If 3 contracts list a Program Coordinator's total budgeted salary as \$100,000 and each contract will reimburse \$35,000 (35%), then a possible overbilling of \$5,000 may have occurred ($\\$35,000 \times 3 = \\$105,000$ or $35\% \times 3 = 105\%$ Children's Trust salary allocation).</p> <p>E). If an invoice is submitted to The Children's Trust that includes food charges for end of the year parties and celebrations, is that cost allowable per The Children's Trust budget guidelines? Food costs for end of year celebrations are NOT allowable per The Children's Trust budget guidelines.</p> <p>F). If a provider, prior to applying to participate in the contracted program, had committed to purchase 10 new computers for another program, then the provider must purchase those 10 computers in addition to any computers requested for the Children's Trust program.</p>
d). Cash Management	<p>1). With the exception of the last month of the contract period, do monthly invoices represent cost actually paid during the contract period (cash basis), rather than costs incurred or accrued.</p>	<p>A). If payroll is paid on 3/31, is it included in March's reimbursement?</p> <p>B). If payroll is paid on 4/1, but represents time charged in March, is it included in April's reimbursement?</p>

Compliance Requirement	Program Specific Audit Implication	Example
e). Period of Availability	1). Requires Provider to charge The Children's Trust grant with only allowable costs resulting from obligations incurred during the funding period.	<p>A). If the active contract period extends from 8/1/15 through 7/31/16, and Provider expenses \$250.00 for office supplies on 9/30/15, does that expenditure apply to the active contract period?</p> <p>B). The following items warrant the most attention at the beginning and end of contract periods:</p> <ul style="list-style-type: none"> i. Payroll from expired contract is billed in the first month of renewed contract is unallowable if it was paid during the invoiced month but was incurred in prior contract. Reporting requirements for final invoice allow this payroll to be expensed and reimbursed in prior contract. Only the portion of payroll incurred during the contract period may be billed. ii. Utilities iii. Insurances
f). Special Provisions	1). Eligibility requirements related to contract expectations such as type of participants served, number of participants served and background checks should NOT be tested as part of The Children's Trust program specific audit. The program specific audit is meant to test the fiscal viability of the provider. Therefore, certain core contract provisions that support the fiscal viability of the provider should be tested.	<p>Each of the following special provisions must be tested:</p> <p>A). Insurance requirements (further description in Section K of Core Contract)</p> <ul style="list-style-type: none"> i. Auditor should determine if all applicable insurance policies were carried during the fiscal year. <p>B). Proof of tax status (further description in Section L)</p> <ul style="list-style-type: none"> ii. Auditor should vouch to applicable documents verifying that all incurred payroll and unemployment taxes have been paid. <p>C). Data security obligation (further description in Section 0.12 of the Core Contract)</p>

Compliance Requirement	Program Specific Audit Implication	Example
		<p>i. Auditor should obtain and/or understand the Provider's data security policy.</p> <p>D). Subcontractor agreements (if applicable)</p> <p>i. Auditor should obtain and understand any agreements made with subcontracted parties. Additionally, the auditor should obtain an understanding of any Provider monitoring procedures.</p> <p>E). Matching Funds</p> <p>i. In some cases, a required match is contracted. This will be indicated in Section D of the base contract. Verify the applied method the provider uses to satisfy match requirements. Also, verify that provider maintains documentation to backup match requirements.</p>

The Independent auditor's report shall state that the audit was conducted in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the Program Specific Audit requirements listed in The Children's Trust contract.
